**REAL Heroes doing
REAL CHOICES Challenges Home Learning**

A *challenge* is something that takes effort, responsibility and commitment to achieve it. Let this be reflected in each of the challenges you choose and complete.

Please read the parent letter for more details.

In the Pounamu REAL Choices Challenges you must complete and have checked off by your teacher a **minimum of 10 challenges by Friday 15 November**.

You must complete **at least two challenges from the 'Environment and Sustainability' category and at least one challenge from each other category**.

Co1 challenges must be approved and scheduled by Mrs Hillson at the office if you want to do fundraising at school.

Each category gives you the opportunity to **create your own challenge** if there is something you want to do that is not listed. Talk with your parents / caregivers and your teacher about your thinking and what you plan to do. Fill in the 'Plan for your teacher, design and then implement your own Challenge' proposal form and hand it to your teacher before you begin. These challenges must be approved by your teacher to help you shape the challenge further, if necessary.

Share each challenge as you complete it with your teacher (self-check, parent/caregiver check and evidence for your teacher).

Evidence your learning challenge by way of photos, journal, PowerPoint, video, animation, interview or some other appropriate way.

Be sure to have thought about which aspect(s) of REAL each challenge fits:
RESPECTFUL, ENCOURAGERS, ACHIEVERS, LIFE-LONG LEARNERS.

Have fun and enjoy your REAL CHOICES Challenges 2024.
